Dear Dr. Nabors:

It is the mission of the Evanston Chamber of Commerce to create an inclusive, equitable, and welcoming environment for all businesses to thrive in Evanston. We value diversity, respect for all cultures, and inclusion of all voices. We encourage ongoing anti-racist conversations and practices. We also condemn acts of racism and those who stoke the flames of white supremacy.

The Evanston Chamber of Commerce takes our leadership and advocacy role in the business community seriously and does not tolerate systemic oppression or racism in any form. We continuously search for ways to promote dialogue and mutual understanding in the Evanston community. We hope to be part of a solution for equitable economic progress for all Evanston.

Thank you for your leadership and strong vision for equity for all Evanston.

Regards,
